

CLIENT: Twinings of London

SHOW: National Restaurant Show 2010
(McCormick Place, Chicago, Illinois)

SIZE: 20' x 20' Exhibit Rental

Twinings Tea had been using the same trade show exhibit for a number of years. They came to Evo Exhibits looking for a new exhibit with an updated look and more functionality, all while saving cost over their existing exhibit.

Evo Exhibits approached Twinings with a rental solution, allowing for a bigger presence at the show. The exhibit was designed utilizing large tension fabric graphics for both branding and creating a functional environment. The booth also featured brewing stations, product displays, and centrally located enclosed storage, allowing high traffic to flow through the booth with ease.

KEY EXHIBIT FEATURES:

- Rental Exhibit
- Two tasting stations
- Product display areas
- Large tension fabric graphics

"I would highly recommend Evo Exhibits to any company with trade show exhibit needs. Evo Exhibits has gone above and beyond my expectations from design, creative, logistics to execution and assistance with my shows!"

NOREEN LEBRON // TRADE SHOW COORDINATOR
