» GREEN TRADE SHOW EXHIBITS

Evo Element is our line of environmentally-friendly trade show exhibits. These sustainable exhibits are made from green materials without compromising design, functionality and durability. Evo Element options include 10' Inline Exhibits, 20' Inline Exhibits, 20' x 20' Island Exhibits, Portable Exhibits, Table Top Exhibits and Banner Stands.

Our Evo Element Exhibits utilize a wide variety of green materials including aluminum extrusions made from recycled aluminum, bamboo plywood, sorghum board and more. Our stains and finishes are water-based, low VOC (Volatile Organic Compound), and VOC Free. Furthermore, we offer a variety of graphic options that are recycled, recyclable, or even made from recycled soda bottles.

» RENTAL TRADE SHOW EXHIBIT PROGRAMS

Renting a trade show exhibit can be an excellent alternative to purchasing a new exhibit. Rental Exhibits allow you to do more with less of a budget, and can be completed customized with your own graphics.

Evo Exhibits offers the full range of Rental Exhibits including pop up exhibits, inline exhibits, 20 x 20 island exhibits, and larger exhibits. We also rent tradeshow exhibit accessories including workstations, kiosks, hanging signs and more. Our Rental Exhibits are constructed from the same high quality components as our purchase exhibits, ensuring that your booth will have a superior look and feel.

PRODUCTS

INLINE EXHIBITS

Designed for impact, easy set-up and cost-performance, our Inline Exhibits are modular, and can be expanded into larger exhibits if the need arises. Options include integrated workstations, matching freestanding counters, LCD display mounts, lockable storage and more.

ISLAND EXHIBITS

Our Island Exhibits utilize a variety of materials and techniques to make the most of your floor space and budget. We utilize large format graphics, built-in lighting, integrated audio-visual and more to make a powerful statement for your brand.

CUSTOM EXHIBITS

We offer complete Custom Exhibits of any size, designed with your needs and budget in mind. They can be made from any combination of materials including aluminum, steel, wood, wood composites, plastics, laminates, acrylics, and fabrics.

POP-UP EXHIBITS

Lightweight, highly impactful and easy to set up, Pop-Up Exhibits are the most popular type of portable exhibit in the world today. Our extremely versatile Pop-Ups feature self-locking, highly rigid frames and can be set-up in just minutes.

BANNER STANDS

Ultra-portable, extremely affordable and able to be set-up in less than a minute, our Banner Stands are ideal for a wide variety of applications including tradeshow, showrooms, office lobbies, events, retail and product displays.

TABLE-TOP DISPLAYS

Table Top Displays are ideal for a number of applications, including trade shows, sales presentations, open houses, temporary displays and more. All Table Top Displays come with a carrying case and can be set up in just a few minutes.

WORKSTATIONS & KIOSKS

Our freestanding Workstations and Kiosks are designed to fulfill a number of important duties within a tradeshow booth: product display, media center, podium, reception counter, computer workstation, storage cabinet and more.
